

Rajiv Gandhi Proudyogiki
Vishwavidyalaya Bhopal

Accredited with 'A' grade by NAAC

Rajiv Gandhi Proudyogiki Vishwavidyalaya (RGPV), accredited with 'A' grade by NAAC, established in the year 1998 is truly a picture of modernization offering learner-centric programmes in Engineering, Pharmacy, and Architecture & Management. University is sprawled over a vast campus of 241.4 acres, marching towards development in to a center of excellence in the arena of Technical Education, Research and Innovations. Under its umbrella there are 05 UTDs, 188 affiliated Engineering Colleges, 69 Pharmacy Colleges, 25 MCA Colleges and 05 Architecture Colleges imparting Graduate level instructions running 23 undergraduate level courses & 84 postgraduate level courses. Situated amidst an aesthetic and hilly surrounding, the University is also offering Ph.D. in eight faculties.

RGPV has been selected by Ministry of Human Resource Development (MHRD) as one of the Affiliating Technical Universities (ATUs) among ten across the country for receiving TEQIP-III grant. The main objective of Faculty Development Programme (FDP) is to improve quality and equity in engineering teachers in order to up-grade the knowledge, enhancing research and teaching skills.

Course Objectives

Communication System has been increasingly adopted in diverse applications including radio astronomy, long distance communications, space navigation, radar systems, mobile communication, and missile electronic system. To understand the advanced technologies based on Communication System, it is necessary to develop good fundamentals and be very clear with the basic concepts. The aim of this FDP is to make the fundamentals strong and bring the academicians on the same platform to enhance their knowledge.

Another objective is to encourage participants to have interaction with the experts in this area. The FDP will cover lectures from eminent personalities from IITs & various organizations which will cover the broad spectrum of communication system.

About The Department

Department of Electronics engineering aims to produce under graduate, postgraduate and doctoral professionals with modern and state of the art laboratories in the emerging areas of Electronics, Communication and Instrumentation Engineering. The department has well trained and research oriented faculty members.

Resource Persons

Prof. Santi Prasad Maity, IEST WB
Prof. Siva Dutta Joshi, IIT Delhi
Prof. P.K. Upadhyay, IIT Indore
Prof. P.D. Vyavahare, SGSITS Indore
& others

About Medi-Caps

Medi-Caps has been a brand name in the arena of technical education. Since its inception in July 2000, Medi-Caps has consistently aimed at creating an ideal ambiance for budding technocrats and managers; and helping them to grow like true professionals. With its highly qualified faculty there seems an optimal blend of academic brilliance and industry exposure, supplemented by highly specialized visiting faculty and industry experts, senior professionals from various segments of different industries and business houses.

It was time now to spread wings and move out for more exposure and widening of the periphery. Hence the foundation of Medi-Caps University has been laid down with strong footings of the group since 16 years. Medi-Caps wishes to maintain the same objectives of imparting quality education and producing sound professionals for the benefit of the society at large.
