UTFWCB00009	Dr. Huidrom Rully	45	Assistant Controller of Examination	Manipur Technical University, Manipur	Convenient timing	5	4	Very insightful sessions with professionally relevant topics. The experts were highly knowledgeable and provided us with practical illustrations which will help us in enhancing our administrative skills.
UTFWCB00041	Dr. Manish Chandwani	36	Deputy Registrar	Medicaps University	Good timing	5	5	All Sessions were very good, all the speakers are very talented. All participants are benefited with this Capacity Building Programme.
UTFWCB00042	Dr. Ranjana Jha	42	Accounts Officer	Indira Gandhi Institute of Development Research	2 hours timing is good to cover on subject-topic	5	5	4 week capacity building programme on Educational Administration was well-organized and informative. It provided valuable knowledge about the rules, regulation and practical insights relevant to centrally funded institutional administration and professional development.
UTFWCB00024	Dr. Subhasis Bhattacharjee	36	Assistant Registrar	GKCIET, Malda	Its most convenient.	5	5	At the conclusion the efforts of the Team Medicaps under leadership of Registrar Siluvinathan Sir and invited resource persons is highly commendable in capacity enhancement of Officer in Educational Institutions across the Country.
UTFWCB00028	Dr. T. RAVIKUMAR	52	ASSISTANT REGISTRAR	The Gandhigram Rural Institute - Deemed to be University	Very comfortable time, so that I can schedule and prioritize my routine works before 3.00 pm. My Administrative Head, Registrar sir accepted and highly appreciated timing schedule fixed by the Medicaps University, since without disturbing the regular works.	5	4	First, I am very much thankful to the Most Respected and Hon'ble Vice Chancellor Sir and Respected Registrar sir of the Esteemed Medicaps University for arranging this wonderful programme for the Administrative officers of the Higher Education Institutions in India. I came to understand that the purpose of the Capacity Building Programme essentially required for the Promotion to the Deputy Registrar cadre from the Assistant Registrar ie., I am realizing the subject content designed for this programme fulfilled the requirements. The entire programme is well-designed, and the topics covered all aspects in the University Administration. Last week's topics were new to me; I equipped and enriched myself with new knowledge. All the resource persons were well-qualified experts in their topics, and all the sessions were informative and explanatory. I humbly request the Medicaps University Authorities to organize one more Capacity Building programme for University officers and also to conduct short-term training programmes for Non-Teaching staff working in the Administrative Sections of the Universities. My appreciation the Technical staff members behind this online programme hosted in fine manner and without any interruptions for four weeks.

UTFWCB00027	Dr. Vinita Malik	36	Information Scientist	Central University of Haryana	It was really enriching.	5	4	It has been the best training program I have ever attended
UTFWCB00040	Gajendra Singh	40	Section Officer	Medicaps University, Indore	Good	5	5	<p>The four-week Capacity Building Programme was highly informative and beneficial for understanding the overall functioning of university systems and administrative processes. Various sessions provided valuable insights into university operations, approval mechanisms, and the roles of different departments and cells. The discussions on complaint redressal systems, staff and faculty welfare benefits, and recruitment procedures helped participants understand institutional policies more clearly. Sessions related to research project application procedures, loan processing mechanisms, and administrative documentation were especially useful for improving professional efficiency.</p> <p>In addition, the mental wellness and stress management sessions were very helpful in highlighting the importance of maintaining a healthy work-life balance in an academic environment. These sessions encouraged participants to adopt practical strategies for managing workplace stress effectively.</p> <p>Overall, the programme was very fruitful for learning and professional development. Not all participants but few participants are very actively engaged in discussions, making the sessions interactive and enriching. Such initiatives will certainly contribute to better understanding, improved coordination, and a more effective working environment within the university.</p>
UTFWCB00026	Gopakumar TS	57	Sr Administrative Officer	ICMR-NIRT	Time suitable for employees without affecting routine activities	4	4	Such training programs would refresh and update the knowledge in day today admin works

UTFCB000012	Suhaila Gulshan	46	Assistant finance officer	Islamic University of Science and technology	The session timing was rightly fixed.	5	5	It was a wonderful training month. I learned a lot. Lot of subjects were covered though at times I felt few subjects required more sessions. But overall a wonderful exercise and will recommend others especially the involvement of the Registrar of Medical University. He has done a tremendous job
UTFWCB00032	Sumit Raj	36	Assistant Registrar	National Institute of Advanced Manufacturing Technology	Good	4	5	The program was very comprehensive and detailed covering essential aspects of learning required for administrative jobs. It helped me brush up the rules and regulations and learn quite a lot of new aspects of looking into such rules. Apart from academic and administrative skills classes scheduled for the training program the life skills and yoga learning worked as a cherry in cake which will inspire me to have a positive outlook in life. The training session will be very useful in my personal development and career prospects. I would also appreciate the choice of learned faculty for the program who helped us understand the concepts in an interactive environment rather than lecture classes. Highly informative and recommended
UTFWCB00004	Toko Shama	42	Assistant Registrar	North Eastern Regional Institute of Science and Technology	Good	5	5	It was a wonderful programme that I had been waiting for a long time for my career progression. I am very thankful to Madicap University and Dr. P Siluvainathan, Registrar Madicap University for providing this great opportunity, which will help me perform my duties effectively and efficiently, and maintain good health.
